A cricket club ready for tomorrow built on the foundations of the past

Lightcliffe & Halifax Cricket Club was founded in 1875 and has been a key part of the community ever since.

Today, we have four senior and 11 junior teams, nurturing local talent and guiding young players from aged 5, and are one of the largest and most respected cricket clubs across Calderdale, West Yorkshire and beyond trusted to host important finals, welcoming some of the legends of the sport at special events, and proud to be an inclusive organisation open to all, accessible to everyone, passionate about sport, movement and wellbeing.

On the pitch in 2025, we saw huge success which opens opportunities for the future:

- Our 1st XI secured promotion to Bradford Premier League Division 1;
- Our 2nd XI secured the Bradford Premier League 2nd XI Division 1 title;
- Our 3rd XI topped the Halifax Sunday League table;
- Our U15s were the Vitality T20 Yorkshire Cup Champions; and,
- Our juniors were the Halifax Collinson Cup Winners at U11s, U13s & U15s

With a membership nearing 400 - including nearly 200 boys and girls of all ages, abilities and backgrounds, and our growing Pétanque section which attracts a different demographic promoting exercise and social wellbeing, we are one of the area's largest clubs.

And, beyond the membership, many more experience the cricket club through landmark events, like our Lashings World XI celebration when legends of the sport came to Lightcliffe, and annual celebrations, like the Village Gala, we are a modern cricket club that is ready for the future but built on the foundations that are our 150 year history.

We hold the annual Lightcliffe Village Gala, open to the entire area; host events and meeting at our new Pavilion; and, have a growing Pétanque section attracting a different demographic promoting exercise and social wellbeing.

Village cricket played by four senior teams week-in, week-out through the season

At Lightcliffe Cricket Club, village cricket isn't just a pastime – it's a thriving, competitive ecosystem that brings the community together every weekend throughout the season.

With four senior teams playing week-in, week-out, the club offers consistent visibility, strong engagement and a genuine sense of pride across the village and beyond.

For sponsors, this means your brand is present across multiple leagues, multiple grounds, and multiple audiences. From the high-performing 1st XI competing in the Bradford Premier League Division 1, to our 2nds competing in the Bradford Premier League 2nd XI Premier, to our 3rd and 4th XIs that embody the inclusive spirit of grassroots cricket in the Halifax Cricket League.

The club's expanding membership and regular matchday attendance provide authentic, local exposure – not just to players, but also to families, supporters, and visiting teams. Plus, with a modernised Pavilion acting as a buzzing social hub, sponsor branding is seen in an environment where people naturally gather, celebrate and connect.

Investing in Lightcliffe means aligning with a club that represents tradition, dedication, and community. Each weekend, our senior teams showcase the best of village sport – giving sponsors a platform rooted in loyalty, visibility, and genuine grassroots passion.

Developing and nurturing the best young cricketers through learning & fun

Lightcliffe Cricket Club has one of the region's most ambitious and successful junior cricket programmes - and for sponsors, it represents a unique opportunity to support the future of sport while gaining visibility among hundreds of local families.

With eleven junior teams, from our U7 Minis to U18s, the club is a beacon for young players discovering their talent and confidence through cricket. Our youngsters don't just learn how to play the game, they learn teamwork, resilience, discipline and joy.

This deep, meaningful impact is supported by passionate coaches, a clear development pathway, and a strong safeguarding framework.

Partnering with Lightcliffe Cricket Club puts your name at the heart of something powerful: a growing community of young athletes achieving local league success, representing the club with pride and developing a lifelong love of the game. It also connects your brand with parents, volunteers, schools, and local networks - an engaged audience that appreciates organisations who invest in youth development.

Your support strengthens opportunities for every child - and positions your brand as a champion of learning, fun and the next generation of cricketers.

Beyond the cricket pitch, we're proud to be at the heart of our community

Lightcliffe Cricket Club is far more than a sports organisation, it is a community anchor with a 150-year legacy of bringing people together.

For sponsors, the club offers not just sporting exposure but genuine community impact and year-round engagement. The club hosts major village events, social gatherings and family days - including the popular Annual Village Gala. These events draw large local audiences, offering sponsors extended visibility and unmatched community goodwill.

Our newly renovated Pavilion serves as a meeting point for sports lovers, families and local groups creating continuous footfall throughout the week, throughout the year - not just on match days. Beyond cricket, activities like pétanque, social nights, fitness classes and charity initiatives make the club a vibrant seven-days-a-week destination.

Lightcliffe also embodies the values we know you want to be able to support: volunteering, youth opportunities, local pride and inclusivity. You can come and be part of the club anytime, you can bring clients and contacts, and you will always be guaranteed a warm welcome.

Partnering with Lightcliffe means investing in a sporting institution that has enriched countless lives over 150 years, and be part of the story of the next 150 years.
